Next, children are encouraged to sit in front of the library staff, on the floor. Parents/carers can sit with their children or if they prefer, seating is available.

Families are encouraged to join in with the songs and rhymes and to encourage children's participation. Pre-schoolers and Toddler groups will have a simple craft activity at the end of the session.

If children become restless or distracted, families are free to come and go throughout the session. To minimise disruption, we encourage all families to arrive on time and to explain the need to your child for them to sit quietly during the stories so that others can see and hear.
